Instruments	Forex, metals, cryptocurrencies, energies, stocks, indices	Forex, metals, stocks			
Min. Deposit	\$50	\$200	\$2000	\$5000	\$0

2.2. Swap Fees

Swap fees, also known as rollover fees, represent the cost associated with holding a position overnight. These fees can either be positive or negative, depending on the specific instrument being traded. When a position is held beyond a certain time, an overnight funding amount is either added to or subtracted from the Client's account.

For a comprehensive list of instruments and their respective swap charges, please visit our website at <https://www.tibiglobe.com/spread/>.

2.3. Holding Charge

Islamic accounts are subject to a Holding charge which will be imposed for positions held open through consecutive trading sessions, depending on the product type and duration such positions are being held open. Currently, positions held in Major, Minor and Exotic foreign exchange pairs will incur a charge after 7 calendar days of continuous open position.

2.4. Social Trading Fees

There are certain fees in relation to the Social Trading offered by the company which can be fixed or variable while they differ for Strategy providers and Strategy followers as following:

2.4.1. Management Fee

Management Fee is the fixed monthly fee payable by both Strategy Providers and Strategy Followers, and it is unrelated to volumes traded or strategy performance. It is currently set at:

- USD 4 per month for Strategy Followers; and
- USD 15 per month for Strategy Providers

2.4.2. Performance Fee

Performance Fee is calculated as a percentage on the Net Profit generated for the Client (Strategy Follower) following a strategy/Strategy Provider. This fee, is capped at 15%, follow a High-Water Mark and is charged monthly, preventing duplicate charges for the same

performance. Multiple strategy copying applies the fee calculation independently to each Copy Trading Account.

2.4.3. Volume Fee

Volume Fee is a per-lot charge for each trade, up to 15 USD roundtrip per lot, and it is calculated per side and added to positions. For instance, copying a trade worth 1 million USD/JPY at a 15 USD per lot charge results in a 7.50 USD fee upon opening and closing the position.

2.5. Withdrawals Fees

Withdrawal requests are subject to the following fees:

1. Bank Transfers:

- SEPA transfers will incur a fee of €5 per transaction.
- SWIFT transfers will incur a fee of €20 per transaction.

2. Card Withdrawals:

- All card withdrawals will incur a fee of €3 per transaction.
- Withdrawals below €50 will incur a fee of €10 per transaction.

2.6. Inactivity Fees

Inactive accounts are defined in the Client Agreement. The inactivity fee is currently set at USD 7 per month.

2.7. Internal Transfers Charges

Internal transfers between accounts may incur charges.

2.8. Maintenance Fee

A Maintenance Fee of \$5 will be charged monthly to each client who maintains an account with the Company.
